June, 2006

SARA General Meeting, June 5th , 2006 at 7:00PM, Niskayuna High School New Cafeteria

Public Service

submitted by Raleigh Keeter, K2RI

May has seen an increase in public service activities and SARA members recently provided communications in support of the CROP Walk in Schenectady and for the parade on Niska-Day.

The CROP Walk was held on May 7, 2006 and the weather could not have been better for the event. An estimated 800 walkers took part in the 5k walk in the area of Schenectady's Central Park and helped to raise funds to feed the hungry locally and around the world. Everything went smoothly but arrangements were made to have one walker, who became tired and did not wish to finish, picked up and brought back to the starting point. The hams taking part were: Don, W2CJO; Rudy, W2JVF; Clark, KG2AO; Ken, AA2CW and Raleigh, K2RI.

The weather for the Niska-Day parade on May 20 was not as good as it was cool, cloudy and windy. Fortunately, the showers held off until after the parade was finished. No problems were reported over the air and the large crowd enjoyed the parade and other events. The hams involved were: Don, W2CJO; Sid, W2SID; Bill, W2DHT; Millie, KB2SWR; Clark, KG2AO; Ken, AA2CW; George, W2CSN; Bill, KG2AC; Ramsey,

KB2GMW; Hal, AK2E and Raleigh, K2RI.

SARA had a table in the information tent at Niskayuna High School during the afternoon of Niska-Day to provide the public with information about amateur radio. The kids seem to enjoy trying to send their names with a code oscillator and straight key and there were interesting conversations with a number of the adults who stopped by the table. One father was heard to explain to his kids when they saw the straight key, "That is the way people used to communicate with each other."

One gentleman explained how he remembered his father, who was a ham, using a spark gap transmitter on the air. Another interesting conversation about emergency activities was with a gentleman who formerly worked with FEMA, but now is with New York SEMO.

Annual Business Meeting

This month will be the Annual Business Meeting and will include the election of 2006-2007 SARA Officers, an award presentation, and a representative from the ARRL. There will be a discussion of upcoming Field Day operations on the weekend of June 24th. This will be the last meeting before field day so bring your questions for George and you can sign up for your favorite activity.

ARRL Field Day June 24-25

This year, Field Day will be on the weekend of June 24 & 25 so mark your calendar. This has been the major operating event for SARA for many years and it is a great way to acquaint prospective hams with a chance to see amateur radio in operation. It is also a great chance to get in some operating on all of the bands, no matter what your license class. As always this is an activity that requires a lot of help to put together so consider pitching in if you haven't before and of course if you are an old hand at this....we need you! More details at this upcoming meeting.....

Board Meeting

The next meeting of the SARA Board will be at the usual time and usual place. That is Wednesday before the regular meeting which falls on May 31, 2006 at the Niskayuna H.S. in one of the classrooms around the corner from where we regularly meet in the new cafeteria. The time will be 7 P.M. SARA Members and invited guests are welcome to attend, please RSVP to President Dan Whelan n2ud@arrl.net 895-2754.
